"After Death" - Dec 9th
At Sedona's
Mary Fisher Theater

Friends and "faith soldiers":

The extraordinary film by Angel Studios, **AFTER DEATH, will be shown at noon, Tuesday, 12/9, at the Mary D. Fisher Theater, Sedona.** If you have not seen it, you will LOVE it. If you have seen it, come again as we believers celebrate our Lord Jesus and the fact that He and the heaven of scripture are so very REAL. do not forget to RSVP as explained below.

This extraordinary film is a beautiful aggregation of stories by actual people who "died" (plane crashes, surgical events, auto accidents), were given glimpses of heaven or of the Christ Himself, but were told that they had to return to their bodies to fulfill a life purpose.

The film is based on actual patient stories and is NOT blasphemous; the stories confirm what is written in scripture. Excerpts in the film are taken from Don Piper's, 90 Minutes in Heaven and John Burke's, Imagine Heaven, to name just a few of the books on this fascinating subject.

There will be presents for you who are Biblically literate. Everyone who joins us is asked to bring at least one can of meat and one can of canned veggies (or fruit) for the Food Bank to feed our local children at Christmas.
